

Live webinar

Energy & Water issues—help during difficult times

This webinar is for community workers and others who support people in NSW

Wednesday 9 September 2020

11.00am–12.00noon (AEST)

Join us on your computer or other device from anywhere in NSW.

This webinar will be presented by Janine Young Energy & Water Ombudsman NSW.

Practical information to help your clients resolve problems with their energy and water providers—including help available for people experiencing financial hardship due to COVID-19.

The webinar is free. Register here
